ter a fortnight vacation with her

ness last Friday. "Doc" says Miami
is some town, but that it isn't even
in the same class as Baxter.

Misses Barbara Walker, Mary Bliss
Doris Martin and Erville Osthoff of
Columbus, were in Baxter last Friday
night for the Red Cross benefit dance.

Frank Howe of Wewoka, Okla., was
in Baxter last week. Mr. Howe is
personally supervising some mining
deals in this vicinity, in which he is
interested.

The Owl Electric Shoe Shop has in-
stalled about \$700 worth of new elec-
tric machinery. The finishing shaft
is one of the best that can be ob-
tained, giving Baxter Springs a real
"uptown" shoe repair shop.

J. R. Ware, a mine operator of Ok-
lahoma City, was in Baxter last Fri-
day making arrangements for some
extensive development on leases
which he holds northeast of Baxter.

Mrs. Harold T. Wright left Monday

illness of Mr. Wright's mother, Mrs.

vented his going, to hope his mother
is improved.

Miss Florence Pfremmer has re-
turned to Bethany College, Linds-
borg, Kansas, from which institu-
tion she graduated as a pianist re-
ceiving the degree of Bachelor of

Mrs. P. O. Struchell Tells How She
Cured Her Son of a Cold

"When my son, Ellis, was sick with
a cold last winter, I gave him Cham-
berlain's Cough Remedy. It helped
him at once and quickly broke up his
cold," writes P. O. Struchell, Homer
City, Pa. This remedy has been in
use for many years. Its good qual-
ities have been fully proven by many
thousands of people. It is pleasant
and safe to take.

Mr. and Mrs. O. B. Tinsley left
Monday morning for Kansas City
where Mrs. Tinsley will go to a hos-
pital for examination. One day last
week for Mrs. Tinsley, desiring to use
their Chalmers roadster and no one
being available to crank the car she
did it herself, straining her side in
the effort. Little attention was paid
to the injury at the time but failure
to recover caused the trip to Kan-
sas City.

The Reciprocity Club met with Mrs.
W. W. Wyatt Friday afternoon the
guests of the club were Mesdames
Jas. Hartley, Hiatt, A. R. Kane, M. E.

Dr. B. F. Lazenby is moving to

Baxter Springs with his family. He
will open an office in the Arbutnot
building for the practice of medicine.
The Doctor was here last week and
made all arrangements to come. He
was here for the first time a few
weeks ago, and then made up his
mind that Baxter would be sure to
develop into a big city.

J. B. Owens and G. W. Vespers ar-
rived yesterday from Carthage and
are comfortably settled in a tent on
South street. Mr. Owens is thorow-
ly familiar with mining district and
has picked Baxter Springs for a win-
ner. He expects to invest in building
lots and Mr. Vespers, an all-round
carpenter, will build houses on them.
These properties will be for sale or
rent. Baxter Springs welcomes this
class of investors at this time as it
looks as if their services to the city
will be needed at once. Already the
demand for houses exceeds the sup-
ply and many are under construction.

KANSAS CITY LIVE STOCK MARKET

Furnished Weekly By Greer & Co.,
Stock Yards. Prices
Rule Higher

Receipts of cattle are liberal today,
25,000 on sale here. The top corn
steers sold at \$13.25. There was noth-
ing choice here. The market is steady
to strong on all classes. We sold a
load of good corn cows at \$9.75, aver-
age 1131 pounds. We also sold three
cars of medium feeders at \$9.90, aver-
age 881 pounds.

We expect a liberal run of cattle
this week and a fair market. The
Zone loading rule which is now in ef-
fect, is making Kansas City a six day
market, with fresh receipts every day
of the week. This rule has lessened
the possibility of heavier runs than
the market can take care of, and has
helped a little in the distribution of
stock cars.

We think it will be profitable to
ship your cattle before cold weather
sets in and causes them to shrink.

We quote good to choice corn steers
\$13.00 to \$16.00; medium to fair, \$9.00
to \$12.00. Good to choice fat cows,
\$7.40 to \$9.00; medium to fair \$6.00
to \$7.00. Canners, \$4.75 to \$5.25.
Bulls, \$6.00 to \$7.80. Good to choice
veal calves, \$11.50 to \$12.00; medium
to fair, \$6.70 to \$8.00.

Good to choice feeders, \$10.00 to
\$13.00; medium to fair, \$8.00 to \$9.00.
Good to choice stock steers, \$8.00 to
\$10.50; medium to fair, \$6.50 to \$7.30.
Good to choice stock cows and heifers,
\$6.40 to \$6.85; medium to fair, \$5.80
to \$6.55. Good to choice stock calves,
\$7.50 to \$9.00; medium to fair, \$6.25
to \$7.00.

With 8,000 hogs here today and
48,000 in Chicago, our market aver-
aged about 5 cents lower, top \$17.75.
The bulk of sales ranged from \$17.35
to \$17.70. Pigs are in strong demand
again today, prices range from \$16.50
to \$17.75.

We look for a good hog market all
winter, and think it will pay you well
to make your hogs good before ship-
ping.

There are 8,000 sheep here today.
Trade is very active and market 15
to 25 cents higher. Top lambs \$17.35.
We look for a moderate run the re-
mainder of the week.

Mrs. J. W. Cook spent Friday even-
ing in Joplin with friends.
